Participate!

At the Sumit you can also be the main event. You have something "Linux" you want to talk about? This is your chance. Choose one of three ways of sharing your involvement with Linux and make of the Summit an even greater event!

Lighting talk 15 min, short talk 30 min, presentation 50 min, workshop 1-4 hours.

At the openSUSE Summit 2013 (oSSum13) a wide variety of Free and Open Source Software contributors will gather to collaborate on one of the major Linux distribution projects.
